Source: ACCRA Cost of Living, 2004.

PROPERTY TAX

General county millage 32.25

Property tax- Counties and municipalities levy a property tax on real and personal tangible property. Most property is assessed at 15% of true value. Motor vehicles and utilities (excluding railroads) are assessed at 30% and owner-occupied residential properties are assessed at 10% of true value.

To calculate annual property tax:

$$\text{Tax} = (V \times A \times M) / 1000$$

V = property value (\$), A = assessment percentage (%),
M = millage rate

Example: Home value \$73,573 millage rate 32.25
 $(\$73,573 \times 10\% \times 32.25) / 1,000 = \237.27
