

Outdoor Lighting

from Mississippi Power

Outdoor lighting is a smart investment. Not only does it improve your building or home's appearance, it also provides an extra measure of safety after dark.

Good reasons to lease an Outdoor Light from Mississippi Power

- It's affordable - because you're leasing, not buying.
- No maintenance worries - we take care of all repairs and replacements
- Pay as you go - with a separate line item on your monthly power bill. No separate check to write.
- On at dark, off at dawn - economical and efficient.
- Inexpensive - your monthly charge even includes the electricity used by the light, so you have no "hidden" additional costs!
- Additional security.
- Most important - a leader backs your light. Mississippi Power has been lighting homes and businesses since 1925!

With many fixture and pole choices, Mississippi Power can develop the perfect lighting solution for you.
